Gnacci's "curse" Dig here to find the Demonic Doll Gnacci the Cook will tell you that while fishing for food, he discovered "Her", a doll possessed by a demon, and buried it next to the tree where he was fishing. Arsen and Colin are upstairs in the large hut immediately west of the dock and Gnacci is in the smaller hut slightly further to the west. Ithoi will get up and run outside to douse the flame with magic. Colin's "curse" Colin sees a mermaid through Ithoi's telescope. Grab the spade found directly south of his hut (right by the tree near the water) if you don't have one. Speak to Arsen the Thief. Traitor in the midst After debunking Arsen, Colin, and Gnacci's "curses", return to Captain Tock on the boat. (see image) (1) Three steps east of the tropical tree found west of the fishing spot. Next, speak to Arsen. Return to Captain Tock, and tell him Ithoi is behind the curse. NOTE: The bank will not be accessible until this quest is completed. (1) Quest complete! Rewards[edit | edit source] 2 Quest points Access to Yusuf's bank in the Corsair Cove. He is level 35 and uses elemental strike spells. (1) Grab the tinderbox next to him if you don't have one. Colin is assured that the curse was not his fault. Novice From the newly revealed town of Corsair Cove, deep in the south of Feldip Hills, the captain of the Corsairs has sailed to Port Sarim seeking help. Speak to Captain Tock again to sail to Corsair Cove. Return to Colin to explain what actually happened. If you can unravel the fearful and conflicting tales of ogre relics, vengeful mermaids and demonic possession, maybe you can help his ailing crew overcome The Corsair Curse. Short None Spade (obtainable during quest) Tinderbox (obtainable during quest) Ithoi the Navigator (level 35) A map of all the important locations visited during the quest. Talk to Ithoi the Browser again. Tell him it's not because the captain is thinking of firing him and he's gonna confess to the crime. If you are at least 18 18 You will also say that you know how to make a doll just like him. As he is not useful for this, he gives him the ogre artifact. He will thank you and allow the members of the crew to rest and improve. (1) Talk to Chief Tess in the CORSAIR COVE. Talk to Arsen, the thieves. It is west again and kills Ithoi, the browser (not 35). She will tell him that he simply took one of his many toothpicks and that his shamans were not being able to amaldiguir. (1ā c ā € 1) Talk to Gnacci, the cook. He will tell you that he will not get up, being unable to prove that he is pretending his disease. He will also say that it is a cursing and that there are many things that can cause them. He believes he may have stolen a sacred harassment and the shamans amharged his crew for stealing it. (1) Drizzle through the sand of sand next to the rose where Gnacci the cook fished on cutscenes. When the mission is completed, the captain will be replaced by Cabin Boy Colin with the option of traveling between Corsair Cove and Port Sarim. Outraged, he will ask you to kill him. Leave the cabin and use the sandbox in the wood below the Ithoi cabin. Talk to any of them and they say you what they think are amaldiguled and you should consult Ithoi, which is located in the large southwest hut of Corsair Cove (see the map for your exact locations). Congratulations, seek completed! Rewards 2 points Quest Access to Yusuf Bank in the Corsair Enseada. It will also discard food as the cause of cursing. Talk to him first or the other chats do not pass correctly. (1ā c ā € 3) This fight occurs in an instantiated area. In death, all unprotected items will be moved to a grave out of instance.
